INTERNET SAFETY PLAN

Plan Maintenance

Congratulations! You've worked through the Internet Safety Plan guide and now have a well-functioning, healthy tech environment established in your home. But since technology is ever-evolving, your Plan must as well. As you continue on in your journey, you can use this checklist to periodically evaluate your Plan and make adjustments as needed. Feel free to print this out or fill it out online.

Weekly
7

News(letter)	Read the weekly Internet Safety newsletter, and/or look for new tech-related news to keep up with.
